

# First Office Visit Planner

*My partner, friend or family member was recently diagnosed*

Appt. Date: \_\_\_\_\_ Location: \_\_\_\_\_  
Appt. Time: \_\_\_\_\_ Doctor: \_\_\_\_\_

## My Visit Checklist

- Can audio of the visit be recorded?
- Bring supplies to take notes
- Discuss the visit on the way home
- Access to Online Portal
- Pamphlets or other printed disease info

Note symptoms or side effects for discussion (issues with appetite, sleep, etc.)

---

---

---

## Questions to Ask The Doctor

What type of chronic lymphocytic leukemia (CLL) has been diagnosed and what does that mean? \_\_\_\_\_

---

---

Are there additional diagnostic or genetic tests that would be beneficial? \_\_\_\_\_

---

---

What are common symptoms associated with CLL? Are there complications of CLL that I should be looking out for?

---

---

---

How do we decide when it is time to treat and which treatment is best? \_\_\_\_\_

---

---

---

Are there any dietary changes that would be beneficial? \_\_\_\_\_

---

---

Are there activities that my partner should avoid? What can they continue to do? \_\_\_\_\_

---

---

What should I expect financially and are there resources to help? \_\_\_\_\_

---

---

---

What is the best way to reach you or your staff if I/we have questions? \_\_\_\_\_

---

---

Additional questions/comments/concerns: \_\_\_\_\_
