### Questions to Ask the Doctor

- **Can you tell me more about the treatment plan?**

- **What are the common side effects and/or complications with this treatment?**

- **Are there specific drug interactions I should be considering (foods to avoid, etc.)?**

- **What is the treatment schedule and/or frequency of office visits?**

- **Are there any dietary changes that would be beneficial?**

- **Is there a support staff member that I can meet with (patient navigator, social worker)?**

### Questions for Support Staff

- **What costs can we expect?**

- **How can we reduce costs?**

- **What support resources do you recommend (support groups, online resources)?**

- **Additional questions/comments/concerns**
