Note symptoms or side effects for discussion (issues with appetite, sleep, etc.)

Questions to Ask the Doctor

Can you tell me more about the treatment plan?

What is the treatment schedule?

If surgery is required, what can we expect in recovery? Will a stoma be necessary?

Is there a support staff member that I can meet with (patient navigator, social worker)?

Questions for Support Staff

What costs can we expect?

How can we reduce costs?

What support resources do you recommend (support groups, online resources)?
