Follow-Up Visit Planner
My partner, friend or family member was recently diagnosed

Questions to Ask The Doctor
Can you tell me more about the treatment plan? ______________________________
What are the common side effects and/or complications with this treatment? ______________________________
Are there specific drug interactions I should be considering (foods to avoid, etc.)? ______________________________
What is the treatment schedule and/or frequency of office visits? ______________________________
Are there any dietary changes that would be beneficial? ______________________________
Is there a support staff member that I can meet with (patient navigator, social worker)? ______________________________

Questions for Support Staff
What costs can we expect? ______________________________
How can we reduce costs? ______________________________
What support resources do you recommend (support groups, online resources)? ______________________________
Additional questions/comments/concerns ______________________________

Note symptoms or side effects for discussion (issues with appetite, sleep, etc.) ______________________________

My Visit Checklist
☐ Can you record the audio of the visit?
☐ Bring supplies to take notes
☐ Discuss the visit on the way home
☐ Access to Online Portal
☐ Pamphlets or other printed disease info

Access to Online Portal
Pamphlets or other printed disease info
