Talking to Your Doctor About Essential Testing

What type of endometrial cancer do I have? _____

What are the stage and grade? _____

Has the cancer spread to my lymph nodes or other parts of my body? _____

What are the results of my imaging tests (CT, MRI, or PET)? _____

Will I need additional imaging prior to starting treatment? _____

Have I had comprehensive biomarker testing? _____

If so, was my tumor tested for MMR/MSI (mismatch repair/microsatellite instability)? _____

What were the results? _____

Should I be tested for Lynch Syndrome (genetic predisposition)? _____

Did the testing reveal any actionable markers (e.g., HER2, ER/PR, POLE mutation, p53 status)? _____

Treatment and Care Decisions

How do my molecular test results influence my treatment, prognosis and care plan? _____

Am I eligible for immunotherapy or targeted therapy? _____

Is there a clinical trial that may be right for me? _____

Do you recommend that I see a genetic counselor? _____
